The No.1 rule of fashion:
*always wear what
you want to wear.*

“Clothes
mean
nothing
until someone
lives in
them.”

Marc Jacobs

My favorite quote:

The No.1 rule of fashion:
*always wear what
you want to wear.*

This quote is really meaningful for me and it is the reality thing in my life. Every time I wear the clothes depend on my feel and my thought or sometime the situation I'm in. I just don't care too much about the fashion. Be free in wearing and it will make my life be fulfill.
